- PM Care:
- Monday-Friday 3:15PM—6:00PM
- For more information about this amazing program please call the EDC director Dana Morrison at (530)518-9035.

Extended Day Care (E.D.C.) is a before and after school day care program provided to meet the needs of both you and your child. Whether you are a working parent or simply need a couple of hours to get things done, we are here to serve you. We plan to do this by providing your child with a fun, safe, yet adventurous environment. Our staff is committed to serving your child with the utmost integrity and highest quality care. The following information will provide a glimpse into our program and staff here at Chico Christian School.

Structured Routines:

We know that after a long day at school each child has different needs. Therefore we have created an environment that we believe leaves no child's needs unmet. Everyday we will have structured choices of activities so that your child can choose what best suits him/her. These options include sports & games, computer fun, and crafts. We will also have occasional electives such as ceramics and swim time. We want your child to know that their interests are important to us and that E.D.C. was created with them in mind.

Homework Club:

We are aware how difficult it can be after a busy day at work to worry about not only what's for dinner but also your child's homework. Our hope is to provide your child with a place to do his/her homework. With a knowledgeable staff and a trained tutor, computer access, relationship with your child's teachers, and a flexible schedule we believe we can give your child all the tools necessary to make homework a less daunting task.

Field Trips:

The staff of EDC desire to exceed the expectations of your child, so we are thrilled to introduce field trips to our EDC students! This year we will take one field trip at the end of each trimester. These field trips include Cal Skate, Miniature Golf, and a trip to one of our own CCS families private lake. As we take these field trip adventures our hope is that your child will walk away knowing that they are valued and much-loved.

Birthday Celebrations:

Your children are the most important part of EDC, and because of this we would like to celebrate them! Once a month we will have a birthday party to celebrate all the birthdays that month. This party includes cake (or another sweet) and tons of fun games. We want your child to know that they are loved and worth being celebrated.

EDC Classroom:

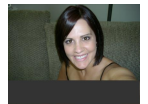

It is important to us to provide your child with a place to call their own. Therefore, new this year and exclusively for EDC students is our very own classroom. We know both you and your child will love it!

Staff

We have an incredible staff here at E.D.C. who are committed to serving the needs of both you and your child. We are excited to have the opportunity to not only build relationship with your child but also to mentor them, while providing a fun, safe environment. All of our staff members have been interviewed extensively, fingerprinted, and have no less than three years experience working with children. We know that you will not only feel safe leaving your child with our staff here at E.D.C., but also eager to. Please meet our staff...

"I believe that children are the greatest treasures in life, and to be able to work with them everyday is a gift from God. From the honesty to which they speak to their constant reminders of simpler things, they make me happier every time I am around them. I can't wait to laugh and have fun adventures with your children in EDC this year."

Dana Morrison, Director

Jahai Baruti

"My life mission is to serve the Kingdom of God and Jesus said in Luke 18:16, that the kingdom of God belongs to the children. So therefore through serving the children I am completing my life mission."

"I am blessed to begin my sixth year at Chico Christian School. Working here is truly a gift from God. I can't wait to spend some fun times with all of your children very soon."

Michelle Singelton

Kris Leavell

"Hi, I'm Kris Leavell. I've been a yard duty at CCS on and off for 8 years now. I've always enjoyed being around kids and look forward to spending more quality time with your children."

Patty Besser

"I have often said children are God's original plan for us. Their wonderful perception on life brings many blessings of joy. Consequently, whether I am showing the children a new board game; participating in an art project or water painting or just being a good listener to their varied conversation, it has always been them who has taught and inspired me."

Kendra Johnson

"Hi, my name is Kendra Johnson! I am super excited to spend time with CCS Kids after school. Being a CCS grad myself and having worked with NCC Childcare team, I'm ready to have some safe, supervised, TOTALLY ROCKIN', Jesus glorifying FUN with everyone!"

* Dallas Abernathy is also a staff member here at EDC. He loves children very much and is a wonderful part of our team. We know you will enjoy meeting him too!
